At a dose of: puffs time(s) a day

I may be at risk of corticosteroid insufficiency when I am ill
and supplementation should be considered.

Prescriber: Date:

OS28286

You have been given this safety card because you are taking a high dose of inhaled corticosteroid.

It is important that you do NOT stop using your inhaled corticosteroid suddenly, particularly if you have been taking this medication for more than 3 weeks.

Be sure to get your repeat prescription of your inhaler before it runs out.

Always carry this card with you and show it to your medical team if you become ill.
